## STUDENT TESTIMONIAL FROM YUKI KUSANO (Japan):

*I always think I was right to choose Australian Pacific Travel & Tourism to study. What we are learning at school is really interesting and we are never bored during the class!!!!*

*What I liked the best in our course was International Destinations and Attractions. It made me feel like travelling and broaden my view as well.*

*Our course includes work experience at a travel office for 10 weeks and I loved it!! I used my knowledge from my class to work and also improve myself by working at a local office.*

*I am an overseas student; therefore sometimes I have difficulties to study here. But my trainer, the staff and my classmates always support me and help me to understand what I am learning. I'm happy I joined APTT and recommend students who want to study tourism to join as well!!!*
